Lyrics:

Try to ride the tide again  
Try to keep it together, do it all on my own  
Standing in the water sinking downs  
But you call true the noise I can hear the sound  
You have made a way, Lord blessed be your name  
I throw my cares away I know I can't make it on my own

Whenever I start to doubt and  
the wind is getting louder  
Jesus you are standing here  
the waves are all around me, threatening to drown me  
You tell me to have no fear

If I keep my eyes on you  
That is all I have to do  
Whenever I start to doubt and  
The wind is getting louder  
I know you are there, you are always there

So I keep my eyes on you  
Cause I know you never let me down  
I see the way you move  
You put my feet on solid ground  
You have made a way, Lord blessed be your name  
I throw my cares away I know I can't make it on my own

Whenever I start to doubt and  
the wind is getting louder  
Jesus you are standing here  
the waves are all around me, threatening to drown me  
You tell me to have no fear  
If I keep my eyes on you  
That is all I have to do  
Whenever I start to doubt and  
The wind is getting louder  
I know you are there, you are always there

In the darkness of the night  
I feel you holding me  
You won't let go of me  
All of my fears and doubts are cast out by your love, love, love

Whenever I start to doubt and  
the wind is getting louder  
Jesus you are standing here  
the waves are all around me, threatening to drown me  
You tell me to have no fear  
If I keep my eyes on you  
That is all I have to do  
Whenever I start to doubt and  
The wind is getting louder

I know you are there, you are always there
