

Samm Henshaw asked "How does it feel to be Loved?". After listening to the song (which is insane by the way), we thought we had a couple of ideas on how it feels to be loved.

Lyrics

Verse 1

Starry eyes and butterflies
Will they keep this love alive
What happens when they fly away

Tell me what's after the talk
The first touch the beating heart
I'm looking for something deeper than this

Prechorus

Love is when we're fighting till the night falls
They just as I'm pretending got my eyes closed
You take my hand and whisper I choose you
I choose to say I'm sorry over staying proud

I can't sleep till I know we've laid our egos down
Truth is that I'm happier when I choose you

Chorus

Love is patient
Love is kind
Love's not anxious
Never worried or tired

Love's forgiving
It delights
In all that's truthful
It hopes all the time

Verse 2

Look for love in what I feel
Find a numb heart turned to steel
Does that mean should call it a day

Won't be so easily swayed
By the come of wind and rain
Cuz I know that love is much stronger than this

Prechorus 2

Love is when I'm home after a bad day
And pour my anger on you like you're to blame
You don't fight back but hold me close to you

You have every right to be offended
But you give up every right and meet me in my mess
I'm so damn thankful you love in the way you do

Chorus
